- REMARKS -

The application has been amended in accordance with the Notice of Draftsperson's Patent Drawing Review, dated February 9, 2006. More particularly, the modifications requested to figures 1, 2, and 5 have been made.

The specification has been amended accordingly to introduce the figures as renumbered.

No new subject matter has been added.

It is believed that the present application is still in good order for allowance, and confirmation that the current amendment has been entered is courteously solicited.

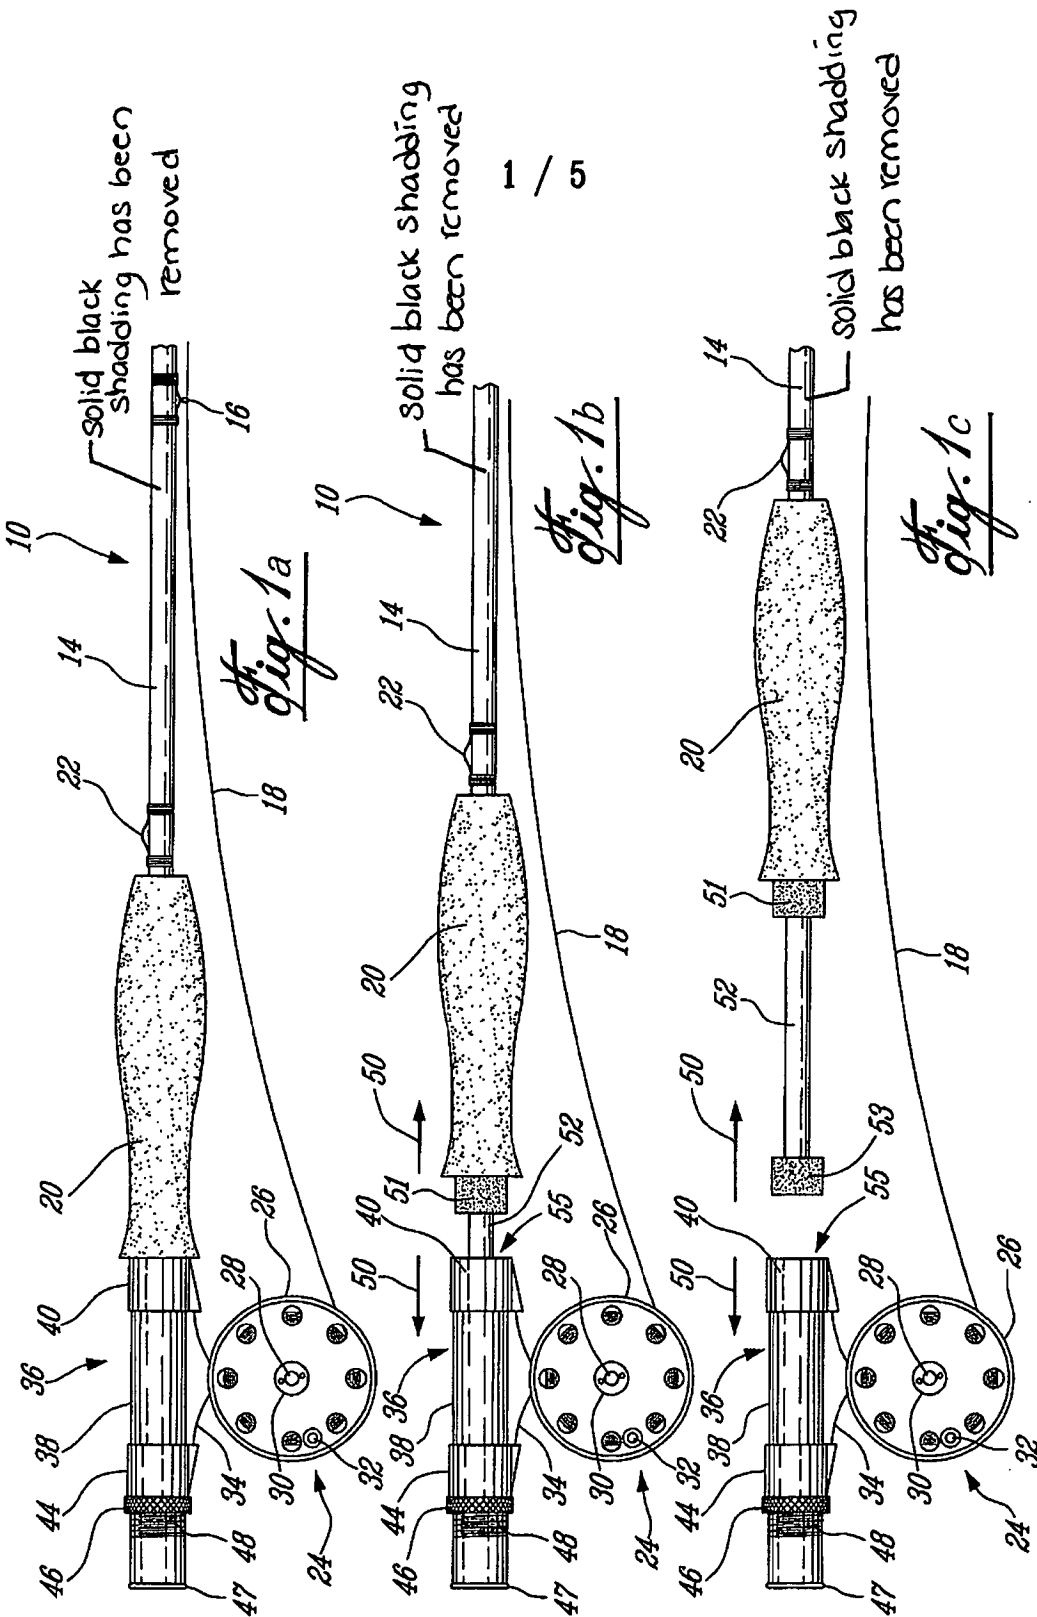

Respectfully submitted,
